6. The Scoutmaster will appoint scouts to the role of Den Chief, Instructor, Troop Guide and Junior Assistant Scoutmaster positions.

Troop Policy

1. Troop elections will be held semi-annually, between two (2) to four (4) weeks prior to the end of the current leadership term. This allows newly elected leaders time to observe a Patrol Leaders Council (PLC) meeting and to attend Junior Leader Training (JLT), as well as time to plan and prepare for their new leadership role and term. Accordingly, terms will be six (6) months in length with the exception of Junior Assistant Scoutmaster, Troop Guides, Instructors, Den Chiefs, and OA Representative where terms will be one (1) year in length. Multiple scouts can hold the positions of Junior Assistant Scoutmaster, Troop Guide, Instructor, and Den Chief.
2. Election planning is the responsibility of the PLC under the guidance of the Scoutmaster and this Policy.
 - a. **Pre-Election:** Troop announcement of election date, positions available for election, recruitment & appointment, and position application procedures (refer to section below).
 - b. **Materials Needed:** paper for the ballots, pencils or pens, and a ballot box (any adequate size container).
 - c. **Scout Duty Assignments:** two (2) ballot collection scouts, one (1) ballot counting scout, and one (1) Scout Election Supervisor. The Scout Election Supervisor will be the Senior Patrol Leader (SPL) or his designee if the SPL is unable to attend the election. He will run the election in 100% compliance of the policies and procedures outlined in this document, introduce the candidates, and handle any disputes or questions with the election and appointments in conference with Scoutmaster.
3. Troop members will be given between two (2) to three (3) weeks advance notice of the election date and application procedures. This will ensure every scout has the opportunity to attend the election, cast their vote, and apply for positions. Scouts must attend the election to vote, there are NO provisions for absentee voting.

4. Scouts running for an elected position are required to attend the election so they can be introduced to the voting scouts and be available for any questions.
5. Scouts desiring a Troop leadership position (elected or appointed) must submit a completed Troop 149 "Leadership Position Application" with all required signatures by the submission deadline to the Scoutmaster. Applications are due one (1) week prior to the election date for all for Scout Leadership Positions. Exception: Applications are NOT required but recommended for the Assistant Senior Patrol Leader and Patrol Leader positions on or before the election date, however if a scout were selected/elected for either of these positions, a signed "Leadership Position Application" would be **REQUIRED**.
6. Senior Patrol Leader (SPL) candidates must attend a pre-election interview with the Troop 149 Scoutmaster prior to submitting their applications.
7. Term limits: No scout shall be eligible to serve more than two (2) consecutive terms in an **appointed** or **elected** (Senior Patrol Leader, Quartermaster, Scribe, and Patrol Leader) Leadership position. Exceptions: If a scout wants to continue in the same **elected** Leadership position and is running unopposed, he may continue in the **elected** Leadership position for an additional two (2) terms. After four (4) terms, he may not run for the same **elected** Leadership position, but is eligible to run for a different Leadership position. There are NO term limits for recruited Leadership positions (Assistant Senior Patrol Leaders and Assistant Patrol Leaders).
8. The Scoutmaster will preside over the elections and guide the scouts through the process to ensure that the proceedings are impartial and follow the Troop 149 policies and procedures outlined in this document.
9. Balloting will be secret. Scouts may not otherwise indicate their approval or disapproval of candidates during the elections.
10. Only registered Troop 149 scouts under the age of 18 may vote; unregistered prospective boy scouts may NOT vote; adults may NOT vote. Scouts eligible for election may vote, and they may vote for themselves.
11. Elections must be won by a "majority" vote. If more than two (2) candidates run for an office, and one (1) candidate does not receive a majority vote (more than 50%) on first balloting, the two (2) candidates who received the highest number of votes will remain on the ballot for a run-off election. If the run-off election ends in another tie, the Scoutmaster and Scout Election Supervisor will conference and decide the tiebreaker referencing the criteria listed in item 16 below. If the Scout Election Supervisor is running for the position in question, he will be excluded from the conference and replaced by an ASPL. Also, NO member of the conference shall be related to a scout involved in the tie vote (e.g. parent, sibling, cousin). If related, the member(s) in question will be replaced by an ASM (for the Scoutmaster) or ASPL (for the Scout Election Supervisor).
12. Appointment of the Junior Assistant Scoutmaster is made by application and appointment by the Scoutmaster.
13. Appointment of the Assistant Senior Patrol Leader(s) is to be by recruitment by the SPL with the recommendations and approval of the Scoutmaster.
